P12 NEWS

This morning the fireman visited the P/1/2 classroom to teach the children about fire safety. They talked about 'get down low and go, go, go' and 'drop and roll' so that the children will know what to do in the event of a fire. Everyone enjoyed looking at the equipment in the truck, especially the hoses, and having a turn of one of them to spray water. The children will come home and talk to you about which escape route they might use from their bedroom and where the family assembly point would be if a fire happened at your place. The fireman suggested that a letter box or front gate would be a suitable spot. All the children have been given a certificate to take home today. Thank you to our local fireman for coming today.

A big thank you also to all the parents/ caregivers who came for their child's interview and we wish all the families a Happy and Well Earned Holiday.
