**NEWS FROM THE PRINCIPAL**

The end of the term is fast approaching. It has been another busy term! In the coming weeks the school will be publishing our School Annual Report for 2012. This report documents the important aspects about our school, focusing on what we achieved in 2012. Please take the time to read this document in the coming weeks. I will let all families know when it has been uploaded to our school website.

Coming up next term we have a few staffing changes for the first three weeks. Mrs Tammy Lutter and Mrs Sandra Stenzel will be taking long service leave. Daniel Market will replace Sandra while Jill Voss from Mutdapilly State School will replace Tammy. We wish both ladies a relaxing, well deserved break.

In the last week of school please take the time to remind your children of the expected standard of behaviour and to discuss our 3 school rules. We have a great bunch of kids here and it is important we keep our 3 rules fresh!!

- Be safe
- Be responsible
- Be respectful.

Yours in Education
Christie Minns
Principal

**PARENT TEACHER INTERVIEWS**

This week teachers have started parent teacher interviews. Thank you to all parents and children for making the time to talk to teachers. It is an important time to share what the children have achieved and what they need to do to improve in the coming semester.

Please note all interviews are scheduled for 20 minutes and teachers will be having interviews back to back. We will be ensuring all interviews run to
time. If you have any further concerns or questions after the interview parents will be asked to make an additional time to discuss. This will ensure that families who have multiple interviews across the school with different teachers will be on time! Thank you for your understanding as we stick to our schedule!

**READING GROUP HELPERS**

School staff are currently reviewing and assessing our students across the school on reading. Each child will be tested individually and the results collected for our whole school assessment program. From these assessments reading groups will be formed for the coming semester. Staff have worked extremely hard to ensure that our students are put within the most suitable reading group. At this time we are also keen to enlist some more help! If you can help with the whole school reading program for the coming semester please see our classroom teachers.

We are also after additional help for reading to work 1 to 1 with children in a before school reading program. Children from across our school have been targeted for some additional support. If you could assist with our support program before school please see our classroom teachers. Even volunteering 15 minutes will make a huge difference! We are after helpers/volunteers to work with children from 8.15am – 8.30 before school.

**Students planning for Queensland**

Students are encouraged to submit their ideas for Queensland’s future and get the chance to win some great prizes. In 30 years’ time our students are sure to be some very important people so let’s get them thinking about the kind of society they want. Check out the Queensland Plan website for all the details on this competition.
